ORDER

This matter is before the Commission upon a motion filed on November 27, 2017, by Monroe County Water District (“Monroe District”) for an Order modifying the briefing schedule in this matter to permit the parties an additional seven days in which to submit their initial briefs. Monroe District requests that the Commission modify its Order of October 31, 2017, to permit the filing of initial briefs in this matter no later than December 8, 2017, and the filing of reply briefs no later than December 15, 2017.

With respect to Monroe District’s motion, the Attorney General’s Office of Rate Intervention (“Attorney General”) has no objection to the extension of time, and the Commission finds no prejudice to the parties in granting an extension. Therefore, the request to modify the briefing schedule is granted.

IT IS HEREBY ORDERED that:

1. Monroe District’s motion for modification of the Commission’s October 31, 2017 Order is granted as set forth in the findings above.
2. Monroe District shall, on or before Friday, December 8, 2017, file a memorandum brief in support of its post-hearing position and which also addresses how

Monroe District proposes to resolve future disputes with the Commission over the use of a published depreciation schedule to determine the useful life of an asset.

3. The Attorney General may, if desired, file a memorandum brief on or before Friday, December 8, 2017. In the event a brief is filed by the Attorney General, Monroe District may file a reply brief on or before Friday, December 15, 2017, after which this case shall stand submitted for a decision by the Commission.
